**Baltimore, MD – April 25, 2017** Procure Ambulance of Maryland, Inc., a full-service commercial ambulance and wheelchair van transportation company, along with public EMS services, hit the hallways of Congress for the 2017 EMS On the Hill Day.

250 EMS professionals from 42 states, D.C. and Puerto Rico attended meetings with 226 congressional leaders and their staff. Procure along with NAEMT, Baltimore City and D.C. represented the local jurisdictions. The group met with representatives to discuss topics directly affecting the future of EMS. Bills supported included the Protecting Patient Access to Emergency Medications Act of 2017, the Strengthen EMS Act (SEMSA), and the Permanent Medicare Ambulance Relief and Reform requests, as well as encouraging participation in the Congressional EMS Caucus. The event followed the EMS Transformation 3.0 Conference which highlighted how EMS can help achieve our nation's healthcare goals.

"The Congressional staffers were informed, engaged and responsive. We had an opportunity to give real life examples of why these bills are so important to our staff and patients. NAEMT's On the Hill Day is a rewarding experience - we had a great group and Procure will definitely be back again next year." states Debbie Ailiff, President and CEO of the company.
