### **PROCARE AMBULANCE OF MARYLAND, INC. ANNOUNCES FIVE NOMINATIONS FOR MARYLAND STAR OF LIFE AWARD**

**BALTIMORE, MD – April, 2013** – Procure Ambulance of Maryland, Inc., a full-service commercial ambulance and wheelchair van transportation company, is thrilled to announce that five employees have been nominated for the Maryland Institute for Emergency Medical Services Systems Maryland Star of Life Award.

The Maryland Star of Life Award may be given to an individual, multiple individuals, or teams on the same incident for an outstanding rescue by EMS personnel. The five Procure nominees are CCEMTP Justin Kram, EMT-P Alex Wibert, Soraya Sina, RN, EMT-B Blake Curry, and EMT-B Eric Snyder. These team members were nominated due to their exemplary dedication to quality patient care in the face of difficult clinical challenges, all the while successfully coordinating care with both the sending and receiving facilities.

“Our team encountered a gravely ill cardiac patient who required immediate attention. During transport to the hospital the patient repeatedly became gravely unstable and required repeated treatment as well as intensive medication monitoring,” states Debbie Ailiff, President and CEO of Procure. “Our team members acted in the best interest of the patient while providing compliant, effective, and timely care throughout the entire process. Thanks to them, the patient arrived safely, was able to receive life-saving intervention and was later discharged home to their family. We are proud to have such exemplary employees as part of the Procure family.”

The Star of Life Award is named after the star of life symbol – a blue and white six-pointed star that is most often used as a stamp of authentication or certification for ambulances, paramedics or other EMS personnel.
