**PROCARE AMBULANCE OF MARYLAND, INC. IS SELECTED BY KAISER PERMANENT TO PROVIDE  
AMBULANCE TRANSPORTATION TO ALL KAISER MEMBERS IN BALTIMORE CITY, BALTIMORE  
COUNTY, CECIL COUNTY AND HARFORD COUNTY**

**BALTIMORE, MD – February 1, 2017**– Procure Ambulance of Maryland, Inc., dba Procure Integrated Health and Transport, a full-service commercial ambulance and wheelchair van transportation company, is pleased to announce that as of this date it will begin providing BLS, ALS, and SCT ambulance transportation services to Kaiser members exclusively in Baltimore City, Baltimore County, Cecil County and Harford County.

After over a year-long evaluation process conducted by Kaiser Permanente, Procure was awarded the Kaiser Permanente Mid-Atlantic States Medical Transportation Inter Facility Transfer contract for Baltimore City, Baltimore County, Cecil County and Harford County. The selection process and award strategy for Kaiser included a detailed bid submittal, dynamic bidding event, site visits, and a thorough review by the bidding team and Senior Leadership, before final selections were made. Procure was chosen by Kaiser from among over 10 potential bidders in the Maryland and DC areas. Procure will provide ambulance transportation and care for Kaiser Members who, due to their condition, require ambulance transportation services to and from medical facilities in the area.

“Procure is thrilled to have been selected by Kaiser Permanente to serve this part of the Mid-Atlantic region, which is expected to grow significantly during our contract term. Our goal is to be Kaiser’s top performing partner over the next 5 years,” states Debbie Ailiff, President and CEO of the company.

Kaiser Permanente is known for investing in the communities it serves by offering a unique model of delivery, which produces exceptional outcomes at affordable cost. It’s built on the foundations of high quality, committed physicians and integration of services — i.e., the close collaboration of primary and specialty care, an emphasis on prevention and wellness, and patient participation in managing their own health care.
