**PROCARE AMBULANCE OF MARYLAND, INC. RECEIVES AWARD OF MEDICAL ASSISTANCE
AMBULANCE TRANSPORTATION SERVICES CONTRACT FOR PRINCE GEORGE'S COUNTY**

BALTIMORE, MD – February 2, 2017 – Procure Ambulance of Maryland, Inc., dba Procure Integrated Health and Transport, a full-service commercial ambulance and wheelchair van transportation company, is pleased to announce that it was again awarded the Prince George's County Medical Assistance contract to provide non-emergency Basic Life Support, Advanced Life Support and Critical Care Life Support Ambulance Transportation services to eligible Prince George's County Medical Assistance patients.

Procure will provide ambulance transportation and care for patients who are non-ambulatory and, due to their condition, require ambulance transportation services to and from their residence and medical facilities. The award is for 1 year beginning February 1, 2017, including four 1 year options, for a total of 5 years of service. Eligibility under the program is determined by the Department of Health, who must approve all transport requests. The program is estimated to serve over 2,000 patients.

"Procure is thrilled to have been selected for this honor for an additional 5 years. Over the last 5 years we have had the privilege of providing basic life support, advanced life support and critical care ambulance transportation service to our Prince George's County Medical Assistance patients. For some of our patients who see us regularly, we have become part of the family. We are grateful for the opportunity to continue those relationships," states Debbie Ailiff, President and CEO of the company.

The contract award is the result of a multi-step, bidding process that included a comprehensive Bid Response reviewing Procure's project approach, staffing, quality control, experience, references, and training and development programs.
